

DSWD F0 III assesses families in evacuation centers

(Meycauayan City, Bulacan) The DSWD Municipal Action Team assesses the families who are evacuated staying at Malhacan Elementary School, Malhakan in this city. The team uses the Disaster Assistance and Family Access Card (DAFAC) in assessing the 13 families or 65 persons who are affected by typhoon Falcon which occurred on July 8.

The DAFAC aims to validate the status of affected families and will also serve as reference for the provision of additional and appropriate interventions.
