

DSWD readies Transition Plan for incoming management

To ensure the smooth and continued delivery of *“Maagap at Mapagkalingang Serbisyo”*, the Department of Social Welfare and Development (DSWD) prepared a Transition Handbook for the incoming management of the Department under the new administration.

Crafted during a 5-day intensive writeshop, the DSWD Transition Handbook provides a comprehensive overview, discussion on milestone accomplishments, and relevant information on the major functions and services of the Department. It also contains the DSWD’s initiatives and programs that the outgoing administration wishes to be continued and sustained by the incoming administration.

Moreover, the Transition Handbook aims to serve as a guide for a well-coordinated change of leadership while the new management treads on the path toward having all Filipinos free from hunger and poverty, having equal access to opportunities, enabled by a fair, just, and peaceful society.

As the lead social welfare agency, the DSWD remains committed and ensures to provide continuous delivery of service to empower and improve the quality of life of the marginalized and vulnerable sectors. ###
