

# DSWD Central Luzon featured in PIA's Kapihan sa Bagong Pilipinas

CITY OF SAN FERNANDO, PAMPANGA – Philippine Information Agency's (PIA) third episode of Kapihan sa Bagong Pilipinas featured the Department of Social Welfare and Development (DSWD) as part of the nationwide simultaneous conduct.

DSWD Field Office 3 – Central Luzon Regional Diorector Venus F. Rebuldela presented the accomplishments of the agency's programs and services directed to the poor and vulnerable sectors in the region. She also provided updates on Pantawid Pamilyang Pilipino Program, Assistance to Individuals in Crisis Situation, and Sustainable Livelihood Program.

Furthermore, Director Rebuldela also acknowledged the effort of the staff of DSWD Central Luzon. *"Ang lahat ng mga ito ay hindi maisasakatuparan kung hindi dahil sa mga magigiting na kawani ng ahensya, mga makabagong bayani, ang ating mga Angels in Red Vests. Sa kabila ng banta ng iba't-ibang sakuna, naging masigasig sila sa paghahatid ng serbisyo para sa mga kliyenteng higit na nangangailangan."*

(All of this would not be possible if it were not for the brave agency staff, innovative heroes, our Angels in Red Vests. Despite the threat of various disasters, they have been diligent in delivering services for clients who are most in need.)

The Kapihan sa Bagong Pilipinas is a collaboration that underscores the Marcos Administration's commitment to transparency and active engagement with the public, ensuring that the achievements and plans of the government are communicated effectively to all Filipinos. #
