

Correct Spelling and Idiomatic Expressions with Meaning and Examples

There are also given questions about choosing the correct spelling of words or selecting the misspelled one. In my honest opinion, spelling is the most challenging exam since words seem spelled correctly and you are just choosing from a given set of words. Sometimes there is also an option for “none” or all are correct.

This part of the exam is very tricky considering the words may look familiar and common but their spellings are confusing. Often you may think you already know the correct spelling, yet you may be wrong. That’s why I provided the most confusing words with correct spellings here.

We’re giving some of the words usually given for this type of test. Review them well and master them by heart.
