(SPPMPs) AND MODIFICATIONS IN PROCUREMENT MODALITIES IN LINE  
WITH REPUBLIC ACT NO. 12009**

**WHEREAS**, pursuant to **Section 7.7 of Rule II of the Implementing Rules and Regulations (IRR) of Republic Act No. 12009, otherwise known as the New Government Procurement Act (NGPA)**, all procurement must be strategically and properly planned, and only activities considered crucial to the efficient discharge of government functions shall be included in the Annual Procurement Plan (APP), ensuring that procurement is within the approved budget of the Procuring Entity;

**WHEREAS**, in accordance with **Section 7.8 of the same law** explicitly provides that no procurement activity shall be undertaken unless it is covered by the Procuring Entity's approved Indicative or Final APP, thereby establishing the APP as a mandatory prerequisite for all procurement operations;

**WHEREAS**, **Section 7.9** authorizes revisions to the APP to be undertaken as often as necessary, including the addition of supplemental procurement activities and the modification of procurement modalities, which must be reviewed and consolidated by the BAC Secretariat and recommended by the Bids and Awards Committee (BAC) for approval of the Head of the Procuring Entity (HoPE);

**WHEREAS**, the Department of Social Welfare and Development – Field Office III (DSWD FO III), in the implementation of its programs, services, and mandates for Calendar Year 2025, has received various Supplemental Project Procurement Management Plans (SPPMPs) from end-user units during the First Semester of CY 2025, intended to address emergent, unprogrammed, or operationally critical procurement needs that were not captured in the original APP;

**WHEREAS**, the inclusion of said SPPMPs in the Annual Procurement Plan is necessary to ensure that these activities are implemented in accordance with applicable rules and within the timelines required by agency operations, disaster response, and service delivery commitments;

**WHEREAS**, the agency has also commenced the implementation of Republic Act No. 12009 and its IRR, necessitating adjustments in procurement modalities across multiple projects to comply with the updated procurement frameworks, including but not limited to: the application of fit-for-purpose procurement methods, early procurement activities (EPA), life-cycle cost assessments, and sustainability considerations as mandated under Section 7.2 and 7.3 of the said law;

**WHEREAS**, the BAC Secretariat, after careful consolidation, validation, and technical review, has integrated the submitted SPPMPs and corresponding adjustments in procurement modalities into the Annual Procurement Plan FY 2025 – First Revision. As reflected in the consolidated APP, the total estimated budget allocated for Early Procurement Activities (EPA) projects amounts to **THIRTY-THREE MILLION FOUR HUNDRED THIRTY-FIVE THOUSAND THREE HUNDRED NINETEEN PESOS AND 92/100 (P33,435,319.92)**. Meanwhile, the total amount allocated for the procurement of Common-Use Supplies and Equipment (CSEs) through the Procurement Service of the Department of Budget and Management (PS-DBM) is **SIX MILLION EIGHT HUNDRED EIGHTY-NINE THOUSAND ONE HUNDRED SEVENTY-TWO PESOS AND 78/100 (P6,889,172.78)**. The overall Total Approved Budget for the Contract (ABC) covering all procurement projects listed under this revised APP stands at **FOUR HUNDRED THIRTY-TWO MILLION THREE HUNDRED SEVEN THOUSAND NINE HUNDRED FORTY-FOUR PESOS AND 51/100 (P432,307,944.51)**;

**NOW, THEREFORE, BE IT RESOLVED, AS IT IS HEREBY RESOLVED**, that the Bids and Awards Committee of DSWD Field Office III, after thorough evaluation and deliberation, hereby recommends the approval of the Annual Procurement Plan FY 2025 – 1<sup>st</sup> Revision, incorporating the submitted Supplemental Project Procurement Management Plans and modifications in procurement modality as aligned with Republic Act No. 12009 and its Implementing Rules and Regulations. Upon approval by the Head of the Procuring Entity (HoPE), the revised APP shall be posted in accordance with existing transparency requirements and submitted to the Government Procurement Policy Board (GPPB) as required under prevailing procurement rules;
